

Product Specification

Product Name **1,2-Decanediol**
Syn: Decane-1,2-diol

CAS No. **1119-86-4**

Structure

Mol. Formula **C₁₀H₂₂O₂**

Mol. Weight **174.28**

<i>Test</i>	<i>Specification</i>
-------------	----------------------

Appearance	White (cast) solid
-------------------	---------------------------

Identity	IR
-----------------	-----------

Mp	46-48 °C (Lit.)
-----------	------------------------

Bp	255 °C (Lit.)
-----------	----------------------

Assay (hplc)	≥ 97 %
---------------------	---------------

Fp	> 230 °F
-----------	--------------------

Ash Content	< 0.1 %
--------------------	-------------------

Moisture (K-F)	< 1%
-----------------------	----------------

Storage: Maintain in cool, dry containment
