

Product Specification

Product Name **2-Amino-6-bromopyridine**
Syn: 6-Bromo-2-aminopyridine;

CAS No. **19798-81-3**

Structure

Mol. Formula **C₅H₅BrN₂**

Mol. Weight **173.0**

<i>Test</i>	<i>Specification</i>
-------------	----------------------

Appearance	Off-white to yellow/brownish solid
-------------------	---

Identify	IR
-----------------	-----------

Mp	88-91 °C (lit.)
-----------	------------------------

Assay (hplc)	> 98%
---------------------	-----------------

Heavy Metals	< 20 ppm
---------------------	--------------------

LOD (@ 75 °C)	< 1 %
----------------------	-----------------

Ash Content	< 0.2%
--------------------	------------------

Storage: Maintain in cool, dry containment
