

Product Specification

Product Name **2-Bromo-4-pyridinecarboxaldehyde**
Syn: 2-Bromopyridine-4-carboxaldehyde

CAS No. **118289-17-1**

Structure

Mol. Formula **C₆H₄BrNO**

Mol. Weight **186.01**

<i>Test</i>	<i>Specification</i>
-------------	----------------------

Appearance	Pale yellow microcryst. solid
-------------------	--

Identify	IR
-----------------	-----------

Mp	56-58 °C (lit.)
-----------	------------------------

Assay	> 97%
--------------	-----------------

LOD	< 1% (@ 40 °C)
------------	--------------------------

Ash Content	< 0.1%
--------------------	------------------

Storage: Maintain in COLD, dry containment
