

Product Specifications

Product Name: 2-Amino-5-fluoropyrimidine

Syn.: 5-Fluoro-2-pyrimidinamine

CAS No.: 1683-85-8

Structure:

Mol. Formula C₄H₄FN₃

Mol. Wt. 113.09

<i>Test</i>	<i>Specification</i>
-------------	----------------------

Appearance	White to off-white solid
-------------------	--------------------------

Identity	IR
-----------------	----

Mp	192-194 °C
-----------	------------

Assay	≥ 98 %
--------------	--------

Heavy Metals	< 20 ppm
---------------------	----------

LOD	< 1%
------------	------

Residue on Ignition	< 0.1%
----------------------------	--------
